CARING about our district...

CONCERNED about the commonwealth

Pennsylvania ranks 46th in the nation in regard to electing and appointing women to higher office. This trend must be broken. Mr. John Baer of the Philadelphia Daily News wrote in a recent column,

"I've long argued that politics needs more women, especially in Pennsylvania's self-protective, bloated, ineffective, scandal prone, men's club Legislature. Cut its size, its cost and add more women and there would be less corruption and more production."
